ANGEL CARROLL:

Angel has been riding since August, 2010, and just got a new Giant Avail Advanced 2 bike (full carbon) which she is very excited about. She rode her first 32 mile tour last September in the Hale on Wheels ride. She is an outdoor girl, enjoying camping and water skiing. She also enjoys spending time with her kids even though they are not “kids” anymore. She also enjoys working in the youth department at First Baptist Church. Angel works in the Plainview Independent School District and has recently re-enrolled in college working toward a Bachelors in Education.

JEFF EARHART:

Jeff was born and raised in Baytown, Texas. He met his wife, Karen, at Texas Tech where he received an Electrical Engineering degree. After graduation, Jeff worked at NASA before moving back to Lubbock to work as a consultant in telecommunications. In 2002, Jeff opened his own consulting firm and the Earharts moved to Plainview. Karen and Jeff have three children: Laura Beth (13), Todd (11) and John (8). Jeff is active in Family Harvest Church where his brother, Eric, is the pastor. Besides cycling and church, Jeff likes to golf, hike, play video games, and read. He is a Past President of the Noon Optimist Club and President of their baseball program.

Volunteers needed for “**24 HOURS IN THE CANYON**”. Our club should participate in this challenge. It would be a good way for members to get to know each other and is for a great cause. Last year, they had about 500 riders participate. If we can get a group of at least six riders, each rider would only do 2 riding shifts of 2 hours each and could relax the rest of the time. Riders can ride road bikes on the paved roads in the canyon or ride mountain bikes on the trails. If you will volunteer to be part of the club team, just send me an email and I’ll get the details to you. All the information is on their web site:
