TOURS A PLENTY COMING UP!!

This Saturday, the 9th, is the Tour de Pepper, in Dublin, Texas, (ice cold original Dr. Pepper on hand), the next Saturday, the 16th, is Tour de Muleshoe, the Saturday after that, the 23rd, is the Wild Pig Pedal in Seymour, and in July there are one or more tours every weekend. No excuses then to not do some riding in an organized tour. If you haven't tried one, do so, 'cause they are a lot of fun. You can get out of town for a weekend, meet other cyclists, and do some riding other than on the same ole boring local roads. Jeff has a number of rides listed on the club web site, with links, so check them out.

REMEMBER "FINISH THE RIDE"

The Tulia High School Fellowship of Christian Athletes is sponsoring "Finish The Ride", the Aaron Ross Scholarship Recreational Bike Ride on July 14, 2012. The ride will take place in Tulia with routes of 28 and 64 miles. In case anyone doesn't know, Aaron was a 2009 Tulia High School graduate, who, while attending Wayland, was killed by an inattentive driver while riding his bike just north of Kress. This ride is to honor his memory and raise funds for the scholarship in his name. All proceeds go to the scholarship. Our member, Phil Zolman, is the ride director. Click on this tour on the club website for more information.

The <u>Tour de Freedom</u> was a local ride put on by Aaron Byrd and the Cotton Patch Café to raise money for the Bishop-Byrd Scholarship at Wayland. If you missed it, you missed a chance to show you can ride against the wind. Everything was well done, but of course you can't control Mother Nature. Our club was well represented with Ron Appling, Jeff Earhart, Randy Kaufman, Martin Montalvo, Ron Quintanilla, and other members I may not have seen, in attendance. If you see Aaron Byrd, thank him for organizing and putting on a good local ride.

WASHED OUT!!!

Speaking of Mother Nature, she struck again, with vengeance, at the 24 Hours in the Canyon Ride. The club had a team of ten riders primed and ready to go, but a rain storm struck the canyon Friday night and the ride had to be cancelled. While everyone was disappointed, we understood the decision. It was the only one to make, as the road bike course crossed several water crossing, which, after the storm, were either covered in water or mud and silt, or both, up to several inches deep, like 4-6 inches already. There was no way to safely ride a bike through the water crossings. So, hopefully we'll have better luck next year with an even bigger team with good weather.

The canyon was pretty, the riders camped and ready, but the roads were impassable for a bike!

Riding goals

Every member is encouraged to set a goal for the riding they will try to do from March 11, 2012, for the following twelve months. If you would like to set a goal, however ambitious or cautious, let Mary Anna know your goal, either by email to ______ or ____ or text to _____ and the miles you ride each time you ride. She will keep up with your progress.

Again, there is no penalty if you don't reach the goal and just bragging rights if you do, but goal setting is an excellent way to make yourself get out on the bike and RIDE! Let's have everyone participate.
