## SPRING AND RIDING TIME ARE HERE

Wow! The high temp forecast for today is 89 degrees. The weekend forecast looks pretty good too. The wind won't be too bad either, at least early in the day. So, time to air up those tires, tune up, and hit the road or trail. The first tour in our area, the "Steam 'N Wheels" race and ride in Abilene is next Saturday, the 23rd. It is a really good tour, so if you don't want to race, you can try the leisurely ride. Also Jeff has listed a whole number of other tours coming up soon on the club website, so take a look, and get ready to ride.

## 24 HOURS IN THE CANYON

In case you haven't read your emails, the club will again have a team entered in the 24 Hours in the Canyon Ride, which will take place on June 1st and 2nd. Ron A. is Captain of the team and would like to have all members join in the fun. If you can be part of the team, let Ron A. know as soon as possible.

## RIDING GOALS

It has now been over a year since some riders set their annual goals. Some made their goals, some didn't (including yours truly), but if you didn't make it, don't be discouraged, there is always a new year. This year, let's run the goals on a calendar year basis, i. e. the number of miles you plan to ride in the time that remains in calendar year 2013.

If you would like to set a riding goal for 2013, please send me or Mary Anna an email with your goal. Also, as you ride, send Mary Anna an email reporting your progress. Send your email to Mary Anna at [REDACTED] rather than her old office email. As some of you know, Mary Anna is retiring soon and will no longer get the emails at her old office.

## HALE ON WHEELS/ HALE ON FEET

If you have heard rumors that there will not be a Cowboy Days celebration in 2013, those rumors are false. The Herald has assured the Chamber that they will again sponsor Cowboy Days, and there will be a bike ride and run this year. Linda Morris with the Chamber and our own Gabriel Martinez (for the ride) and Ron Appling (for the run) are already at work to make the 2013 edition the best ride and run yet. If you can help either Gabriel or Ron A., please let them know. Registration is now open at Active.com or BikeReg.com and the website, [www.haleonwheelsbikeride.com](http://www.haleonwheelsbikeride.com), has been updated. Check it out and make your plans to ride on Sept. 21, 2013.
