## SPECIAL PROGRAM FOR CLUB MEETING ON AUGUST 26TH

Our own member, Carl Marlar, has agreed to give us a special program on “Basic Care and Maintenance of Your Bike” at our next Club Meeting. Carl is an experienced bike mechanic with a wealth of knowledge about bicycles and will give us tips on maintaining our bikes in good shape. So,

be sure and make plans to attend the next Club meeting, which will be at **7:00 P. M. on Thursday, August 26, 2010**, at the **Rotary Building in the Regional Park**. Bring your bikes if you want and time and weather permitting, we can take a short ride through the neighborhood after

Carl’s program.

Also, we hope to have a report from the jersey committee about the progress on the Club jerseys. So make plans to be sure and not miss this meeting.

## Hale on Wheels Ride Report

I ask that all members register for the Hale on Wheels Ride taking place on Cowboy Days on September 18, 2010. This is our namesake ride, so I hope you can attend to support it. The website for the ride is [www.haleonwheelsbikeride.com](http://www.haleonwheelsbikeride.com), where you can find a mail in registration form or you can register on line at [www.BikeReg.com](http://www.BikeReg.com) or [www.Active.com](http://www.Active.com). Registration is only \$ 20.00 per person for members of the same bike club, like us. You will have a great time, and get a free lunch, T-shirt and water bottle. The Texas Tech Cycling Team has agreed to come to the ride, so you will want to come see them lead the ride.

## *Roaring Springs Report*

While we didn't have many folks turn out, the Club Ride and Picnic at Roaring Springs was enjoyed by those attending. We had 8 people present: Ross Schott, Ramiro Gomez and wife, Cecelia, and Cecelia's two beautiful granddaughters, Vanessa and Jessica, who came with their bicycles and rode, and Mary Anna and Mitchell Self and yours truly. The weather was pretty good, and the bar-b-que

lunch with cobbler and ice cream was outstanding. Ramiro rode 41 miles round trip to Dickens, Mitchell did the 16 miles round trip to Matador, and Ross and I rode the 25 mile route. Vanessa and Jessica rode part of the 25 mile route. Ross hit a deer with his pick-up on his way to the ride, but fortunately, there was only minor damage to the pick-up, no damage to Ross, but major damage to the deer. The deer was cited for failing to yield.
