Officers Elected for 2011

At the meeting last Thursday night, officers for the ride year 2011 were railroaded..oops, I mean, unanimously elected: Tim Hardage is our President, Stacie Hardage is Vice-President, (that'll teach them not to miss a meeting!) Randy Kaufman is Secretary-Treasurer,

and yours truly is Newsletter Editor. Congratulations to the new officers. We are looking forward to a great 2011 riding season. If you have ideas for what the club can or should do next year, please drop Tim, Stacie, Randy or me a note. We will not have meetings during the winter months but

will resume our monthly meetings next March.

Of course, keep riding, outside when you can, or get a trainer, and ride inside when the weather is bad. I believe the Y has spinning classes, which are a great way to keep in shape and get ready for riding next spring.

WELCOME OUR TWO NEW MEMBERS

Greg Carroll and wife, Angel Carroll, have joined as new members. Welcome to the group, Greg and Angel. They both rode in Hale on Wheels last month and we are glad to have them as members. If anyone has someone in mind for membership, please invite them to join. A membership application is on the web site. Remember dues are only \$25.00 per person, or \$ 30.00 for a family membership. I will place the latest membership roster as the last pages of the newsletters, so everyone can keep it handy. I know you have been saving all of the newsletters!

HALE ON WHEELS CYCLING CLUB CUSTOM JERSEYS AND SHORTS

It's time to place your orders for the custom "Hale on Wheels Cycling Club" jerseys and/or shorts. Dr. Richard Shaw, Adam Henthorn, Chase Aycock, and Andrew Lancaster, the "jersey committee", have designed a great looking jersey for the club. If a number of us get these, we'll make a real showing and be recognized as a club at tours or other events. You are, of course, under no obligation to purchase a jersey or shorts, but if you would like to have them, we need to get started ordering so they will be available by next spring when the riding season starts. Each club member will need to pay for their own jersey and/or shorts, but the club will pay any tax, handling charges, and freight. The delivery time is expected to be 6-8 weeks after the order is placed. The jerseys and shorts are made by Canari, a top of the line company.

Jerseys: There are two types of jerseys: "regular" and "vortex pro". The regular jersey has the same fabric throughout whereas the vortex pro has three fabrics. The regular jersey can be ordered in either a "pro fit" or a "euro fit". The euro fit is a tighter fit. With the regular jersey, you can choose several types of zippers, i. e. regular, flatlock, full zipper, or hidden zipper. The Vortex Pro jersey only comes with a standard zipper and in the euro fit.

The cost for a short sleeve regular jersey is \$ 50.00 as long as we order between 6 and 11 jerseys the same. In the regular jersey for a flatlock zipper, add \$ 5.00, for either a hidden or full zipper, add \$ 3.00. The Vortex Pro jersey is \$ 60.00 each.

Shorts: Shorts also come in regular and vortex pro. The difference is in the panel construction, upgraded pad, and fabric. The vortex pro comes in edge pro lycra, which is a compression fabric. The regular shorts are basic lycra. You can order the regular shorts with an upgraded pad for \$ 3.00 more. Regular shorts are \$ 55.00 each and the Vortex Pro shorts are \$ 70.00 each.

To get these prices, we must order at least 6 items the same, e. g. 6 short sleeve jerseys, same fabric, same fit, and same zipper. After that minimum, we can mix and match as you choose.

PLACE YOUR ORDER WITH DR. SHAW. Of course, you will need to let him know the sizing you need, i.e. small, medium, large, etc. If you have questions, please direct them to Dr. Shaw because I don't understand all I know about this subject. Once you get the cost of your order from Dr. Shaw, send your money to Randy Kaufman, 2308 West 5th, Plainview, TX 79072.

Since we need to get this order in as soon as possible, the **DEADLINE FOR PLACING YOUR ORDER WITH DR. SHAW IS NOVEMBER 18, 2010.**
